**New Business Select: Unlimited Access to New Businesses**

We recently added a new product to Manta that could be a huge benefit to folks who sell--especially if you sell B2B. New Business Select gives subscribers exclusive access to info on the newest businesses in the U.S. [Find out more about New Business Select.](#)

**3 Tips for Successfully Cold Calling Your 'Hot Leads'**

Many companies make major investments in lead generation programs thinking that it will save their people from the pain of pure cold calling or that it's going to rocket their sales into orbit.

Good idea, but if you have a lead generation process in place, don't waste good leads with poor cold calling follow through. [These three tips can help.](#)

**Video: Expert Tips for Telephone Prospecting**

One of the most common skills is the ability to be persuasive--in personal interactions and in building a business. [Watch now.](#)

**Sales Tips & Hot Topics**

**There's No Such Thing As Too Many Questions**

You can never have too much information on your potential client and their situation. Always get your prospect and potential clients to clarify their position.

If you don't ask the questions, you could find yourself in a trap like the one described here. [Read the article.](#)

**This One Personal Trait Will Cost You The Sale Every Time**

As sales people, we always want to make sure our client has confidence in us and believes we know what we're talking about and can solve their problems.

But there's a fine line between knowing your stuff and showing off what you know. To that end, there's one big question we all have to ask ourselves. [Find out what it is.](#)

### **The Sales Expert Has the Answers to Your Tough Questions**
